

**Weems & Plath announces the
Two Can Sail
Couples Cruising Seminars
Miami Boat Show February 18, 2017
8:00am to 5:30pm**

Weems & Plath, along with Blue Water Sailing magazine, Massey Yacht Sales and ASA, is sponsoring this Seminar to help you learn how to take the Drama out of your Dream, from choosing the right boat to sailing away together in harmony, hosted by Couples Instructors and lifelong cruisers and Jeff Grossman and Jean Levine.

Two Can Sail Couples Cruising Seminar will give you both the tools and perspectives you need as a couple to safely pursue the cruising lifestyle. We have assembled an outstanding group of marine professionals who have varied experience and back ground to present you with a balanced educational experience. Who are the presenters? They are Couples who are also Captains, ASA Instructors, Authors, Marine Surveyors, and a Meteorologist. Couples attending will receive a pair of tickets to the Sunday Boat Show and one lucky couple will win a SPOT Messenger provided by SeaTech Systems.

This is not designed to be a whole day of power point presentations; we balance the hard data with some fun, lots of good information mixed in with some sea stories and fantastic photos, all of us sharing our expertise to help make the dream a reality for both of you.

Seminar Fee: \$325/couple (\$195 single)
