Weems & Plath Announces... E&P Marine Of Miami, Florida To Be The Exclusive Distributor For South America And The Carribean

January 21, 2016, Annapolis, MD — Weems & Plath, manufacturer of fine nautical instruments, announces E & P Marine of Miami Florida, as their exclusive representative for the distribution of products to Mexico, Central and South America, Bermuda and the Caribbean. This new partnership will streamline Weems & Plath distribution channels and increase brand awareness in this part of the world.

E & P Marine, Inc. is a leading marine manufacturers' representative of leisure boating products to distributors and retailers throughout Latin America, Bermuda, the Caribbean and around the world. Founded in 1980, E&P Marine maintains a professional attitude by associating with only the most reputable manufactureres that produce the highest quality products in the industry.

"We expect great results from combining the Weems & Plath reputation and high quality marine products with E & P Marine, a well respected distributor. E & P Marine's marketing expertise and experience in this part of the world is a natural fit for Weems & Plath," says Peter Trogdon.
