**For Immediate Release
September, 2015**

**Weems & Plath Announces Its Annual Tent Sale,
Deep Discounts!**

Weems & Plath, manufacturer of fine nautical instruments, hosts its annual Tent Sale at their headquarters in Annapolis, MD. This event coincides with the Annapolis Boat Shows, October 8-18, 2015. There will be huge savings on discounted, overstock & sample items. These include fine navigation tools, clocks, barometers, lamps, binoculars, compasses and much more. As in past years, we will be offering free shuttle rides at the Tent Sale to and from the Annapolis Boat Shows. This convenience allows our customers to park free, shop our deep discounts and enter to win a Weems & Plath product in our raffle.

Ten Percent (10%) of all sales on Saturday October 10, 2015 will be donated to the Chesapeake Region Accessible Boating (CRAB). We support this organization because it helps provide access to sailing for those who probably wouldn't have an opportunity otherwise.

Chesapeake Region Accessible Boating (CRAB) is a nonprofit organization based in Annapolis, Maryland. CRAB provides opportunities for people with physical and developmental challenges to experience sailing on the Chesapeake Bay. CRAB has a fleet of Freedom Independence 20' sailboats which are designed to meet the needs of sailor with disabilities.

" Each year we offer this huge sale with deep discounts to say thank to our loyal customers who continue to purchase our products. The Weems & Plath team looks forward to seeing our long time customers at this spectacular annual event," says Peter Trogdon, President.
