Weems & Plath Announces 26th Annual Tent Sale

Great opportunity for deep discounts on overstock, samples, and discontinued items

September 19, 2017, Annapolis, MD — Weems & Plath, the leading manufacturer of fine nautical instruments, will host its annual Tent Sale during the Annapolis Boat Shows, October 5 – 15. This event has been held annually at the Weems & Plath headquarters in Annapolis, MD, for over 20 years and is back again in 2017 by popular demand. This event offers huge savings on discounted, overstock, and sample items including fine navigation tools, clocks, barometers, lamps, binoculars, compasses and much more.

In keeping with tradition, Weems & Plath chooses a charity to which it will donate ten percent (10%) of all sales on Saturday, October 7, 2017. This year's recipient will be Annapolis Green, a nonprofit organization based in Annapolis, MD (annapolisgreen.com) whose mission is to connect, inform, and inspire Annapolis residents, organizations, and businesses to care for the environment, live more responsibly and create a more beautiful and thriving community.

“We are proud to support this organization because it is an advocate for clean seas and aligns with our core values, making a huge impact by educating our community on best practices for keeping our city and waters clean and beautiful,” says Peter Trogdon, President.

As in past years, Weems & Plath will be offering free shuttle rides at the Tent Sale to and from the Annapolis Boat Shows via the e-cruiser. This convenience offers customers the opportunity to park free, shop Weems & Plath's deep discounts and to have a chance to win a Weems & Plath product in the tent sale raffle.

[Weems & Plath](#) has been a trusted manufacturer of fine nautical safety and navigation products since 1928 and is headquartered at 214 Eastern Avenue in Annapolis, Maryland, 21403.
